Independent auditors' report

To the Unitholders of
Osool & Bakheet IPO Trading Fund Sharia Compliant
Riyadh, Kingdom of Saudi Arabia

Opinion

We have audited the financial statements of **Osool & Bakheet IPO Trading Fund Sharia Compliant** (the "Fund") managed by Osool & Bakheet Investment Company (the "Fund Manager"), which comprise the balance sheet as at 31 December 2017, the statements of income, cash flows and changes in net assets attributable to the unitholders for the year then ended, and notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2017, and its financial performance and its cash flows for the year then ended in accordance with generally accepted accounting standards as issued by Saudi Organization for Certified Public Accountants ("SOCPA").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the professional code of conduct and ethics that are endorsed in the Kingdom of Saudi Arabia that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting standards as issued by SOCPA, Investment Fund Regulations issued by the Capital Market Authority and for such internal control as the Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Fund Manager.
- Conclude on the appropriateness of the Fund Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, then we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of **Osool & Bakheet IPO Trading Fund Sharia Compliant ("the Fund")**.

The Fund Manager may also invest not more than 50% of the net asset value of the Fund in Small and Medium company shares and no more than 30% of its net asset value in REITs (including the funds' units that managed by the fund's manager). In addition, the fund can invest by no more than 30% of its net asset value in listed companies in the Parallel Market (Nomu). Moreover, it has the power to invest in Saudi equity funds and money market funds, the units of which are publicly offered and licensed by CMA, provided that all investments are compliant with Sharia guidelines and approved by the Fund's Sharia Committee.

In dealing with the Unit holders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate financial statements for the Fund.

The address of the Fund Manager is as follows:

Osool & Bakheet Investment Company

P. O. Box 63762

Kingdom of Saudi Arabia

2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations ("the Regulations") published by the CMA on 3/12/1427 (corresponding to 24/12/2006) subsequently amended by Resolution of the Board of the Capital Market Authority Number 1 - 61 - 2016 Dated 16/8/1437 (corresponding to 23/5/2016) detailing requirements for all funds within the Kingdom of Saudi Arabia. 4. BASIS OF PREPARATION

4.1 Statement of compliance

These financial statements have been prepared in accordance with generally accepted accounting standards in the Kingdom of Saudi Arabia issued by the Saudi Organization of Certified Public Accountants (the "SOCPA").

4. BASIS OF PREPARATION (CONTINUED)

4.1 Statement of compliance (Continued)

As required by SOCPA, all mutual funds are required to transition to International Financial Reporting Standards (“IFRS”) as endorsed by SOCPA effective 1 January 2018 for preparation of their financial statements. In preparing the first set of IFRS, the Fund Manager will analyze the impact of the first time adoption of IFRS on current and prior year financial statements and will accordingly incorporate the necessary adjustments “to adopt certain accounting policies that may be different from current applicable accounting standards as issued by SOCPA” in the Fund’s first set of IFRS financial statements. As of balance sheet date, the impact of the said transition on the Fund’s financial statements is not known.

4.2 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for the investments classified as held for trading which are carried at fair value, using accrual basis of accounting and the going concern concept.

4.3 Functional and presentation currency

These financial statements have been presented in Saudi Arabian Riyals (SR), which is the functional currency of the Fund. All financial information has been presented in SR.

4.4 Use of estimates and judgments

In the ordinary course of business, the preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods affected.

5. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been adopted by the Fund and applied consistently throughout the periods presented in these financial statements:

5.1 Held for trading investments

Investments are classified as “held for trading” if they are purchased for the purpose of resale in the short term. Investments held for trading are initially recorded at cost which includes the purchase price plus all expenditures made by the Fund for the purpose of acquiring the securities. Subsequent to initial recognition, investments held for trading are measured at fair value and resulting gains or losses are recognized in the statement of income but excluding dividend income which are separately shown in the statement of income. Realized gains or losses at disposal and unrealized gains or losses are determined on average cost basis.

5.2 Trade date accounting

All regular-way purchases and sales of financial assets are recognized and derecognized on the trade date, i.e. the date that the Fund commits to purchase or sell the assets. Regular-way purchases or sales of financial assets require delivery of those assets within the timeframe generally established by regulation or convention in the market place.

5.3 Dividend income

Dividend income is recognized when the right to receive the dividend is established.
